BOARD MEMBER GENERAL DIRECTOR CANDIDATES

CHRIS SUBIA

I have been a member of the Greeley Saddle Club since marrying my wife, Cindy, who has been a member since 1988. My first involvement was helping with providing concessions for the club during the 1999 and 2000 show seasons. My oldest daughter, Kayla, was born during that time and started doing lead line the following year. She hasn't stopped showing yet. Tagan, my second daughter, joined in on showing after she was born in 2003. After doing just the morning shows for a few years, the girls wanted to try afternoon events. And so now, we spend all day at the arena and I have learned a lot about horses by helping out wherever I am needed. You usually will find me in the arena as ring steward in the mornings and in the arena helping take care of the gymkhana events in the afternoon. My only complaint is that shows are on Sundays when the Broncos are playing!

During the week I work as an HVAC technician for Air Comfort and also do a lot of side jobs on my own time. My other interests include playing ball and coaching softball.

The saddle club has been going strong for 70 years and I want to do my part to make sure that it continues to be a place where horse lovers can gather to compete, to learn, to have a good time, and make new friends.

KEITH THOMPSON

I've had a fun and rewarding time during my two terms on the GSC board, contributing my little bit and getting to work with some fabulous, dedicated people. I love the involvement and seeing the club improve, and I would very much like the opportunity to continue helping where I can by serving another term.

DENISE WEBER

The Greeley Saddle Club holds a special place in my heart. I grew up attending and competing in club events. I've been a member of the club the majority of my life and nothing can replace the experiences, relationships, and memories that I have had because of the club. The past four years I have served as a board member and my goal has always been to help the club continue to grow. I want the Greeley Saddle Club to be around and able to provide the opportunities that I was given for years and years to come. The horse community is a great group of people and having a place for anyone who is interested to come and be a part of it is worth the time and effort I put into the club. I would like to be able to continue to support the Greeley Saddle Club and its members.

2020 BOARD CANDIDATES

BOARD MEMBER PRESIDENT CANDIDATES

PATTI WINTERS

I have been a member of the Greeley Saddle Club for 10 years. To me, this club is a place where young and old can ride and have fun. The family atmosphere is very important to me. I like seeing families have fun and supporting each other. If you look around, you will see a lot of support for the kids and family members. I love to watch the kids ride and they all try their best. They have good days and they have bad days, but their faces are priceless when they are up on the wonderful animal, the horse.

I would like to be president to keep this family event going so all that come can have fun and succeed in what they strive to do. As a board member I would like to make sure that everyone is having a good time and I believe in members giving their thoughts and opinions about the club. The board is the heart of the club and the members are the veins. You need both for the club to succeed. Each member is important. I want to make sure that communication is always there between members and board to keep the club moving forward. The Greeley Saddle Club has grown in the last few years and I would like to see it continue to grow.

Ballots links will be emailed out to you or paper ballots will be sent to you in the mail depending on your membership contact preference.

Don't forget to RSVP to our year end awards banquet if you are able to attend!
