NOTES FROM MEMBERS -

We would like to remind people to always be courteous of others especially in the warm up arena. If you need to lunge your horse, please do so when there is not a lot of traffic in the arena. Also, always be aware other riders as we warm up our horses. Our club supports all different levels of riders and we want to continue to make sure everyone feels welcome!

***REMINDER** - Members need to compete in 5 of our regular events as well as complete their volunteer hours to qualify for our **spectacular** year end awards. (2 hours for a single membership and 4 hours for a family membership) Curious about how to help? Come sign up in the office on the event day. We can always use extra hands somewhere!

This guy always appreciates the help!
